

## Safety Systems

# Vehicle Drive Recorder

Helps provide evidence in the event of an accident.

BlackVue's most popular, most robust Full HD dual dash cam system. With exceptional all-new Sony STARVIS™ night vision and all-new built-in power management hardware, you can rest easy knowing you are always protected.

GPS Receiver

Front Camera

Rear Camera

## KEY FEATURES

- FHD video quality with the Sony STARVIS™ Sensor.
- 64GB Card.
- Event locking functionality.
- Records both audio and visual footage.
- Helps provide evidence in the event of an accident.
- GPS provides speed recording and tracks travel via Google Maps. WiFi allows for viewing a live feed, downloading footage and adjusting settings.
- Included MicroSD Memory Card allows for easy viewing of captured footage on a PC, adjusting user options, playback footage in slow motion and more.
- Dedicated App (available via a compatible iOS and Android smartphone) for reviewing captured footage.
- Available as front or dual (front and rear) configuration.
- Optional rear camera films in Full HD with its 2.1MP Sony STARVIS™ Sensor.
- Built-in GPS and WiFi makes for a cleaner installation with fewer cables, and removes the need to take the SD card out for simple tasks.
- Professionally installed by a trained technician.

\*Warranty terms, conditions and exclusions apply. †Some vehicles may also require the Optional Battery Backup System to enhance the stand-by time in Parking Mode. Recommended for Hybrid or Electric Vehicles.
